

# San Francisco La Raza Lawyers Association Bay Area Latino Legal Fund

SF La Raza Lawyers Association and our 501 (c)(3) charitable arm, the Bay Area Latino Lawyers Fund, represents and provide support to San Francisco's Latina/o/x legal community. We need your help to continue our work, which is why we ask that you become an Organizational Supporter.

## Why become an Organizational Supporter?

As an Organizational Supporter, your donation will allow us to provide scholarships that enhance access to the legal profession for Latina/o/x students, put on educational programming, and host events that bring Latina/o/x legal professionals and our allies together.

## Scholarships

Over the last three years, our scholarship recipients have come from all of the Bay Area law schools, most were first-generation college graduates, and some were undocumented. In the last three years, nearly all of our scholarship recipients passed the California bar exam on the first try. In 2022, we provided 13 scholarships, which totaled just under \$25,000 in financial support. Organizational Supporters help foster the next generation of Latina/o/x lawyers.

## Programs

Our Organizational Supporters allow us to put on various of programs. In 2022, we led the first ever Latina Leadership Academy in San Francisco. This program brought together over 50 Latina attorneys, judges, and law students together to learn new legal and leadership skills. Other programs included mentorship program; resume review and interview prep for Latina/o/x law students; how to become a judicial clerk; how to strengthen your non-legal skills like networking; and how to become a partner at a law firm. Your support will allow us to continue programs that enhance the careers of people in the legal profession.

## Events

We regularly host events for Latina/o/x legal professionals, including: social luncheons and networking nights; judge meet-and-greets with law students; and our annual dinner, Noche de Gala.

Noche de Gala is a night that brings the entire San Francisco Bay Area Latinx legal community together. Noche 2023 is on Thursday, June 8 and will be back in person at the Palace Hotel in San Francisco.

This year we are honoring: **Cal Gonzales, Laura J. Maechtlen, Laurie Rose Lubiano**, and the **Honorable Judge Daniel Flores**.

Organizational Supporter will make you a sponsor to our networking events and of Noche!

## More information

Learn more about the different Noche benefits below. Please email [raymond.manzo@gmail.com](mailto:raymond.manzo@gmail.com) with any questions or to discuss other ways in which we can create a strong partnership with your organization.
